

FRESHEN  TECH

THE ODOR CONTROL TISSUE

MORE THAN JUST PERFUMED TISSUE

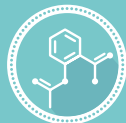

Freshen Tech is the ideal solution to give customers a constant feeling of **freshness** and **cleanliness** even in the most critical situations. **Freshen Tech** is an exclusive range of paper products that **does not cover smells but eliminates them**. The innovative technology adopted involves modifying the molecular structure of bad odours by neutralizing them. Using **Freshen Tech** means you don't have to buy other products, such as commonly used air fresheners. With a single product, in any case necessary, the time and cost of replacing and disposing air-fresheners is eliminated, with **considerable benefit for environment in terms of the reduction of CO₂ and gases which are hazardous for the atmosphere**.
